

Lecture 3: Faith and Works  
Discussion Questions

Discussion Questions Part 1

1. When was a time you were presented with only two options but chose a third?
2. Daniel said that Fundamentalists argue that faith is all about believing the right things. Progressives believe that faith is all about doing the right things. In your own life, which end of the spectrum do you lean most often?

Discussion Questions Part 2

3. Talk about a time when someone did a favor for you. How did you repay them?
4. How do you think our Western Individualism impacts our view of faith?
5. If we are God's clients, and He is our patron, then we should be loyal to Him. What does loyalty to God look like?

Discussion Questions Part 3

5. What is the main belief that drives your behavior? Is it that wealth will make you happy? Is it a fear of failure? Or something else?
6. When was a time your behavior did not reflect your belief in Jesus?
